Course Description:

This course will focus on the practical aspect of Christianity. Gaining as much knowledge as we can is vital to spiritual growth. However, knowing how to practice the concepts we learn from Scripture is just as important.

Course Objectives:

- Be able to define Practical Christianity.
- Gain an understanding and appreciation of God's Word, its teachings, and its usefulness.
- Be able to apply God's Word to actual daily living.
- Realize the balance that must exist between the teaching and living of God's word.
